Lakshan Ekanayaka

UI UX Designer | Web Developer | Mobile Developer

Kandy, Sri Lanka | ekanayakalakshan211@gmail.com | +94767919361 | LinkedIn | GitHub | Behance

Summary

Motivated 3rd-year B.Sc. in IT undergraduate at Sri Lanka Institute of Information Technology (SLIIT). Creative and detail-oriented UI/UX Designer with a passion for creating intuitive, user-centered designs. Proficient in wireframing, prototyping, and usability testing. Skilled in tools such as Figma and Canva, seeking an internship to apply academic knowledge and practical skills in digital experiences and digital media to contribute to innovative projects.

Education

BSc (Hons) in Information Technology Specializing in Information Technology
Sri Lanka Institute of Information Technology (SLIIT) 2023 – Present

GCE Advanced Level – Commerce Stream
Kingswood College Kandy 2021

Technical Skills

- **Design Tools:** Figma, Canva
- **Prototyping & Wireframing:** Figma, Interactive Prototypes, User Flow Mapping
- **UX Research:** User Personas, Journey Mapping, Usability Testing, Feedback Analysis
- **Frontend Development**: HTML, CSS3, JavaScript, Java, React.js, Tailwind CSS
- **Design Systems & Collaboration:** Auto Layout, Variants, Component Libraries, Figma Dev Mode
- **Mobile App Development:** Kotlin, Android Studio
- **Version Control:** Git, GitHub

Projects

Mag City – Vehicle Service Website (UI/UX Design)
Technologies: Figma Oct 2025

- Designed the **Login**, **Branch**, and **Gallery** pages focusing on modern, clean layouts and user-centered navigation.
- Created consistent UI elements with a focus on accessibility, responsive grid alignment, and visual balance across all screens.
- Improved usability by simplifying the login process and structuring the branch and gallery sections for faster user interactions.
- Presented during the **HCI (Human-Computer Interaction)** final presentation, receiving positive feedback for design clarity and usability improvements.

Figma Prototype

Noodle Nest – Food Restaurant Website (UI/UX Design)
Technologies: Figma Sep 2025

- Designed a vibrant and modern restaurant website emphasizing visual appeal and user-friendly navigation.
- Focused on enhancing the food ordering journey through clear call-to-actions, color contrast, and layout hierarchy.
- Delivered responsive web mockups and prototypes with a strong balance of functionality and aesthetics.

Behance Repository

Planto – Plant Store Website (UI/UX Design)
Technologies: Figma Sep 2025

- Created a calming, nature-inspired eCommerce website design for indoor plant shopping.
- Focused on user-centered layout and typography to deliver a clean browsing and checkout experience.
- Developed desktop and mobile prototypes ensuring consistency and accessibility across devices.

Behance Repository

Tasty Food - Food Restaurant Website Design (UI/UX Design)
Technologies: Figma Sep 2024

- Designed a modern restaurant landing page featuring appealing visuals and intuitive content structure.
- Focused on improving user engagement with smooth navigation, high-quality food imagery, and clear CTAs.
- Delivered high-fidelity prototypes optimized for both desktop and mobile screens.
